

MAKSS MEINARTS

FRONT-END DEVELOPER

ABOUT ME

Hello, I'm a front-end developer from Latvia who has experience in creating SPA. My main stack is React, Redux & Typescript. But I'm always keen on learning new stacks. I would like to learn Node.js or another backend framework to expand my abilities for building applications

EDUCATION

2021 - Present

IT-INCUBATOR

Front-end developer

2018 - 2019

PROFESSIONAL COOKERY

Edinburgh College

WORK EXPERIENCE

2021 - Present

FREELANCE

- Building custom components
- Creating form validations
- Fixing bugs
- Creating unit tests
- Building custom storybook components
- Creating responsive layouts

2022 - Present

CARDS APP

- Me and my team created SPA, like Anki using React, Typescript and Redux for a state manager. This application allows you to browse through or create new packs to help you memorize things faster. You can follow the progress on Github: [repository](#) [view project](#)
